PRESS RELEASE

DATE: Monday, July 8, 2024

Columbia Road and Davis Road/Myrtle Ave Intersection Closure for 16 Weeks

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Columbia Road and Davis Road/Myrtle Ave. intersection will be closed for the construction of a roundabout beginning Monday, July 22, 2024, for sixteen (16) weeks, weather permitting. Columbia Road closure location is between addresses 9311 and 9228. All addresses along Davis Road will only have access from the east. During Phase 1 of the road closure, Myrtle Ave. will have access from the north until traffic is switched, then during Phase II – access will be from the south.

The roundabout will be constructed by Ford Development Corp. and the project is funded by the Warren County Board of County Commissioners, Warren County Engineer's Office, and Deerfield Township through the Warren County Transportation Improvement District.

The detour for Columbia Road closure will utilize Fields-Ertel Road and US22/SR3. The detour for Davis Road closure will utilize Rich Road, Fields-Ertel Road, and US22/SR3. Myrtle Ave. will have access from Columbia Road.

Your cooperation during this project will be greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
