PRESS RELEASE

DATE: Friday, October 11, 2024

McClure Road is Now Open to Traffic

Lebanon, Ohio – City of Lebanon, Warren County, Ohio – McClure Road, between Hamilton Road and US 42, is now open to traffic. The closure was for the McClure Road Bridge #71-0.39 over Turtle Creek Rehabilitation Project. The construction project was completed by DDK Construction and was funded by the County Engineer's Association of Ohio and the Warren County Engineer's Office.

Your cooperation during this project was greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
