## PRESS RELEASE

DATE: Monday, March 24, 2025

### **Oregonia Road and Clarksville Road Eastern Intersection to close for 3 days**

Lebanon, Ohio – Massie Township, Warren County, Ohio – Oregonia Road and Clarksville Road eastern intersection will be closed beginning Monday, March 31, 2025, for three (3) days, weather permitting. The closure is for multiple culvert replacements and will be completed by the Warren County Highway Department. The closure location is between addresses 8643 and 8760 on Oregonia Road, and 3677 Clarksville Road to the intersection on Clarksville Road.

The detour for the Oregonia Road closure will utilize State Route 73 and Clarksville Road.

The detour for the Clarksville Road closure will utilize Oregonia Road, Murray Road, Olive Branch Road and Wilmington Road.

Pioneer Village Road will remain open but will only be accessed from the east (Village of Harveysburg) side.

Your cooperation during this project will be greatly appreciated.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
